A background collage of various educational and scientific icons in a light purple line-art style. The icons include a smartphone, a microscope, a soccer ball, a rocket, a star, test tubes with bubbles, an open book, a globe, a pencil, a lightning bolt, an apple, and a graduation cap. A large green diagonal stripe runs from the top right corner towards the bottom left, partially obscuring the icons.

TODAY'S LEARNERS, TOMORROW'S ACHIEVERS, FUTURE LEADERS

A portrait of Dr. K.C.G. Verghese, a man with a beard and glasses, wearing a light blue shirt and a colorful tie, sitting at a desk and gesturing with his hands.

Dr. K. C. G. Verghese, an exemplary visionary driven by his belief in infinite human potential; he pioneered technical education in Chennai, inspiring students to overcome poverty through education. His indomitable spirit has transformed the Hindustan Group of Institutions into a beacon of education, impacting over 20,000 students today.

Late **Dr. K.C.G. Verghese**
Founder,
Hindustan Group of Institutions

Message from the FOUNDER CHAIRPERSON

Going to a School should be a career and life elevating experience. We believe that, here at Hindustan International School, we have the right balance, with excellent teaching matched by an enviable quality of life. By choosing to study here you will join a friendly and lively community. The academic environment is top-class and provides an ideal foundation for both, your personal and professional development.

This Institution has been rendering nearly six decades of service in the field of education and enlightening the lives of youngsters. It is one of the most sought after Educational Institutions in India, reputed for its high level of Academic Excellence, Excellent Infrastructure, Curricular & Co-curricular Activities, Sports and Recreation Facilities. The momentum we have gained as one of the most ambitious, research-led institutions has made us a natural School of Choice for a great many talented students and the increase in applications to study here are a clear indication of our growing success.

Students choose our institution because we offer access to quality education and challenging career paths. We aim to produce youth who have the knowledge and skills to play significant roles in the Global Community.

Let us help you to climb new heights and realize in your dreams and aspirations to create a first-class future for yourself. Welcome to a rewarding experience at the Hindustan International School.

Dr. Elizabeth Verghese
Founder Chairperson,
Hindustan Group of Institutions

Message from the **CHAIRMAN**

At Hindustan we believe that the rights and privileges of education bring a responsibility to make good use of knowledge, to change the world for the better and to help ensure that succeeding generations have the same opportunities to grow and to excel. Education is a gift that one generation gives to the next. Indeed, this Institution owes its existence to our Founder Chairman Late Dr. K. C. G. Verghese's generosity and commitment to help future generations.

Here you are surrounded by astounding state-of-the-art infrastructural resources, fascinating fellow students, a learned faculty, a magnificent library, superb sports facilities and student organizations covering every conceivable interest including the performing arts and community service. You will have complete freedom to explore, learn about new subjects, meet new people, and pursue new passions. I want to encourage you, in every way that I can, to make the most of this rare and unique opportunity.

One of the virtues of studying at a place like Hindustan is that you can practice while you learn; you can work in laboratories alongside your teachers on real-life problems and explore the frontiers of knowledge.

An Educational Institution is the vehicle the world most relies on to educate students and advance knowledge. The vehicle we have built here has been enormously powerful and productive over the past 50 years. Hindustan is prepared to imbue in you a strong reservoir of Hindustan Spirit that will equip you to be harbingers of change.

I welcome you to explore the never ending arch of amalgamated knowledge, walk the untrodden path of seizing opportunities never thought of and be a beacon for the generations to come. I welcome you to the Hindustan International School.

Dr. Anand Jacob Verghese
Chairman,
Hindustan Group of Institutions

About

HINDUSTAN GROUP OF INSTITUTIONS

The Hindustan Group of Institutions (HGI) comprises of a network of esteemed institutions providing holistic development and academic innovation. Founded by the visionary late Dr. KCG Verghese in 1966, the group embodies his ethos "To Make Every Man a Success and No Man a Failure."

Under the auspices of HGI, several prestigious institutions operate:

- Hindustan Institute of Technology and Science
- KCG College of Technology
- Hindustan Institute of Engineering Technology
- Hindustan College of Arts and Science
- Hindustan International Schools
- Hindustan College, Mysuru
- Orient Flights Aviation Academy

Each institution within the group upholds the highest standards of education, research, and industry collaboration, preparing students to excel in their chosen fields and contribute meaningfully to society. Through state-of-the-art facilities, global academic & industrial collaborations, proficient faculty, and a comprehensive curriculum, HGI continues to empower students to realize their full potential and emerge as global citizens ready to tackle the challenges of the 21st century.

VISION

To Make Every Child a Success and No Child a Failure

MISSION

Hindustan International School strives to provide holistic education to all our Students by strengthening their moral, ethical and civic values and by instilling the desire for lifelong learning.

HINDUSTAN INTERNATIONAL SCHOOL – PADUR

Hindustan International School with the motto Live, Learn and Lead holds profound significance as a nurturing ground for knowledge, character, and lifelong connections. Since its inception in 2017, affiliated with the CBSE Board, the school has been a platform for learning, fostering academic excellence, and promoting personal growth. The Padur campus is spread across 5 acres; offering the CBSE Curriculum, and featuring unique sports facilities like Horse Riding and Archery. The modern eco-friendly campus prioritizes safety, convenience, and world-class amenities. The school adopts a multidimensional child-centric approach, incorporating advanced technologies to cater to diverse learning styles.

In the QS I Gauge Assessment ratings 2023, the institution was awarded Gold in the overall rankings for excelling in parameters such as Teaching & Learning, Competency Development, Resources & Facilities, E- Learning, Life skill & Professional development, Governance and Inclusion practices, Social Responsibility and Sensitization, Arts, Culture and Sports.

Reflecting the philosophy of its Founder, the school maintains international standards of innovation, learning and teaching for today's students. The school has been awarded the 'Best Emerging School 2023', in recognition of the school's dedication to providing outstanding education and skill development among its students. Embracing diversity, the school is a melting-pot of diverse voices and perspectives that thrive within the school, fostering an inclusive environment.

HISTAR

A Blend of Excellence

The HISTAR, an in-house curriculum for the preschool division of the Hindustan International Schools was introduced in the year 2020 designed to assist the natural progression in children's development. In the year 2022, the HISTAR program was enhanced by integrating with Cambridge, elevating pre-primary education to international standards. The Hindustan International Schools is one of the few schools to implement Cambridge Early Years Programme blended with the HISTAR, approved and recognized by the Cambridge Assessment International Education. The program aligns with the National Education Policy (NEP) 2020, ensuring smooth transitions for students to Grade 1, be it national or state-level. The NEP guidelines, emphasizing Early Childhood Care & Education (ECCE) from ages 3 to 6, focussing on flexible, multifaceted, and play-based approaches.

A HOLISTIC LEARNING EXPERIENCE

Curriculum

HIS Syllabus offers the syllabus prescribed by the Central Board of Secondary Education which is one of the India's premier educational bodies offering quality education and assessments to Schools around the country. Examinations are held thrice a year. We recognize the challenges of an inter-dependent and competitive environment and the need for our children to adapt and excel in it. Our curriculum is content rich and combines tradition with innovation Based on the core knowledge sequence, children learn about world history, geography, art and information about major civilizations, cultures and religions both ancient and modern. Visits to local museums and other places of interest deepen our young students' understanding of classroom lessons and provides the amazing adventure of learning through real-life experiences.

Cambridge Assessment & Linguaskill

As a certified Cambridge Assessment English centre, all students from grade 1 to grade 9 are required to participate in the Cambridge Assessment English (CAE) exams integrated into their coursework. Moreover, Linguaskill, Cambridge's innovative language assessment tool designed for college students and graduates, is a component of the Cambridge program assessing the proficiency of the students in the English language. Successful completion of these assessments makes students eligible to receive a prestigious Cambridge English certificate.

Linguaskill ▶
from **Cambridge**

Korean language learning

All students from grades 6 to 8 are mandated to undertake Korean language learning as an integral component of their middle school curriculum. These language classes are conducted according to a predetermined schedule and led by proficient Korean instructors who possess the requisite qualifications.

A PLETHORA OF FACILITIES

Classrooms:

Smart classrooms are technology enhanced classrooms that foster opportunities for teaching and learning by integrating learning technologies, such as computers, specialized software networking, and AV rooms with e-boards and audio visual learning aids.

Indoor Sports Room:

Our School houses an indoor sport room comprising of separate equipment for Table Tennis, Carrom, Chess, Snooker, etc. Children are encouraged to learn as many games as possible and find a healthy recreational hobby which best suits them.

Robotics Lab:

The Robotics Labs is a safe, nurturing, exciting and well equipped space in HIS offering STEM classes and mind math for students of all ages. Children have an amazing learning experience in a friendly environment at the Robotics Lab. Professional robotics trainers give hands-on training to students to enable them to develop their critical thinking and keep up with ever-changing technology.

Multipurpose Halls:

This is a multi-use performance space that is intended for use by various types of the performing arts, including dance, music, theatre, debates, elocutions, inter-class/intra-school cultural events, workshops, public speaking classes etc

Library:

The library maintains a supportive and a highly nurturing environment by building a knowledge bank for students. The library contains books, CD-ROMs, DVDs that cover a wide spectrum of subjects and satisfies the students' urge to learn. Our academic library provides a quiet study space for students on Campus. The library provides a "gateway" for students and staff to access and research various resources, both print/physical and digital(i-Pads)

Informatics Lab

We have a state-of-the-art Computer Design Lab equipped with the latest software and workstations. Cutting-edge servers are connected through a structured network to facilitate quick access to information to the students. Printer and copier facilities are also available in the School. HIS boasts an experienced full-time faculty and administrative staff along with a team of off-site professional educators, all of whom provide services to help students succeed.

Science Labs

The school has huge, well-equipped Biology, Physics and Chemistry Labs. The Labs with modern amenities and quality specimens and models open up a world of knowledge for children to observe, experiment and comprehend.

Maths Lab

A well equipped Math Lab provides an opportunity for the students to discover complex concepts in Mathematics. It's a place to enjoy and explore mathematical activities. It takes the students beyond the curriculum and equips them with critical and analytical skills for mathematical interpretation. It provides greater scope for involvement of both the mind and the hand which facilitates cognition.

Equestrian Club

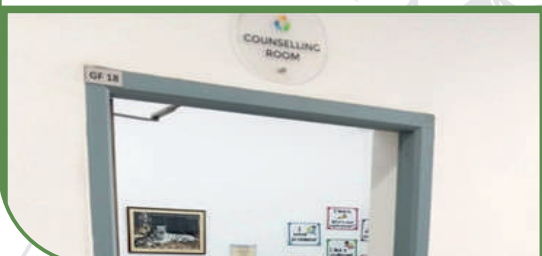

Pony Club is an excellent way for children to build up knowledge and understanding of horses and ponies alongside riding lessons. We provide a safe supervised environment for the child to learn in and make new friends. The pony club sessions are focused on learning about the care of horses and ponies. Riding lessons from all levels, from beginner to advanced, are conducted by qualified instructors and offered as extracurricular activities.

Literary Club

It helps to develop and refine the literary skills of children by improving their communication skills, as well as their reading, writing and speaking skills.

Activities like debates, elocution, extempore, creative writing are conducted to help students develop confidence and groom them in interpersonal and communication skills, as well as their thinking and creative skills.

Counselling Cell

The Counselling Cell under a qualified and experienced Counsellor aims at strengthening the child's coping abilities to counter environmental stress, complex situations and the adolescence. The students can also walk up to the counsellor for a heart-to-heart talk and this has proved a very helpful for the students.

SDG Clubs

SDG Impact Club was inaugurated on 14 Nov 2023 at Hindustan International School, Padur. They provide a platform for students to collaborate, innovate, and implement solutions within their school communities. SDG Clubs empower the young minds to become global citizens and drive positive change towards a sustainable future.

State / Foreign Country Presentations

State and foreign country presentations offer students insights into diverse cultures, customs, and geographical features. They foster global awareness and understanding among students, promoting cultural appreciation and empathy. These presentations often include elements such as traditional attire, cuisine samples, and all about the place, enriching students' educational experiences. By exploring different states and countries, students develop a broader perspective on the world around them.

Parent Portal

Effective communication between the school, students, and parents is a cornerstone of the school's philosophy. We at HIS Padur have introduced software which benefits all Teachers, Parents and Students. Parents can now view lesson plans, homework and grades under password protection on the unique Parents Web Services. Parents can also check their children's progress from any location via the web.

Progress Monitoring System

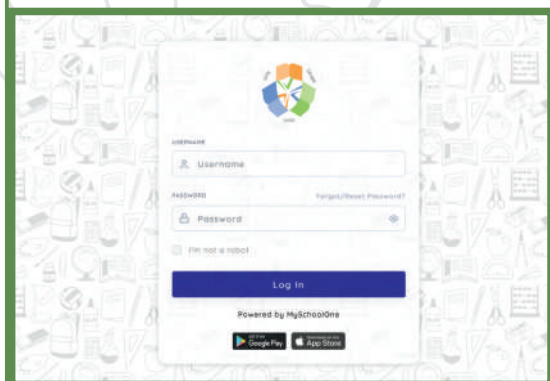

The School has a special system of monitoring each child's progress. The progress of each child is meticulously recorded and monitored periodically to assess the progress or regress of each individual. The Quarterly Reports and Annual Reports of each child's activity, performance and achievements are being updated and posted on the website so that the Parents can keep track of their child's activities in Academics and Sports.

Infirmary

A well-qualified and experienced nurse is available within the campus during the School hours. The nurse treats Minor ailments, injuries, provides first aid, co-ordinates with the parents to keep track and maintains students' health records. The school has also partnered with leading hospitals to treat the students during medical emergency.

Transportation facility

The school provides a modern fleet of transport with GPS tracking system and trained assistants and experienced drivers ensuring safe transportation of the students.

Educational Trip to Mysuru

At Hindustan International School, we believe that learning extends beyond the classroom. We encourage students to explore the world around them through educational trips and expeditions, immersing them in diverse environments, cultures, and experiences. These trips are designed to broaden students' perspectives, foster curiosity, and spark a love for discovery.

Life skill Camp

The school hosts a dedicated camp for Grade 10 and Grade 12 students, designed to foster fellowship, personal growth, and holistic learning. This on-campus experience immerses students in a range of engaging, thoughtfully structured activities that promote team-building, creativity, and resilience. The camp strengthens friendships, cultivates essential life skills, and creates lasting memories, marking a significant and memorable milestone in each student's school journey.

Celebrating a decade of excellence in holistic education

The Hindustan International School celebrated its 10th anniversary on June 14th 2024. The chief guest for the event was Mr. Chang-nyun Kim, Consul General of the Republic of Korea in Chennai, with Mr. Dilip Kottapadath, Senior Regional Manager of Cambridge International Education, as the guest of honor. The event was presided over by Dr. Anand Jacob Verghese, Chairman of HGI, along with other esteemed dignitaries from the group and the management members of the school.

Dr. Anand Jacob Verghese, the Chairman of the school, founded the institution with a visionary approach to provide education that meets international standards. He recognized a significant gap in job-ready skills among students, which motivated him to establish a school designed to blend academic excellence with practical preparation for real-world challenges. He envisions expanding the school campuses across the country with a focus on enhancing existing facilities to meet global standards. His objective is to provide students with unique opportunities not found in other schools, ensuring their admission to prestigious universities in India and abroad. He aspires to see HIS alumni excel as global leaders, inventors and entrepreneurs across diverse fields, making a meaningful and a positive impact on the world.

In celebration of the school's 10th year, a commemorative souvenir book titled "HIS"STORY @10 was launched. The book is a collection of a comprehensive history of the school, documenting the inauguration of its three campuses, infrastructure expansions over the years, notable dignitaries visiting the campuses, significant events, student achievements, various awards, and the rankings the school has received.
