FROM THE EDITOR'S DESK

As May concludes, it brings the excitement of holidays and the onset of summer's heat. For students and families, May marks the start of a much-needed break from the academic year. Despite the scorching weather, this time of year has a special charm with its slower pace and simple pleasures like ice cream and swimming.

We're proud to announce that our students have achieved exemplary results in their board exams. Special thanks to our dedicated teachers, who have been attending daily workshops since late May to enhance their skills in line with the NEP.

We know students are eagerly, though perhaps reluctantly, looking forward to returning to school. Until then, our advice is simple: "Stay Cool!"

MORNING CHAOS!

**My Momma is lovely & beautiful,
Daily, she kicks me from bed for school.**

**Running around she screams aloud,
Cartoons in the morning are strictly not allowed.**

**Packing my lunch with things I don't like,
She ensures I eat till the last bite.**

**My dressing and grooming she takes care of,
I'm a mute listener, who isn't allowed to talk.**

**Driving fast she drops me to school,
And, then suddenly she becomes Momma Cool!**

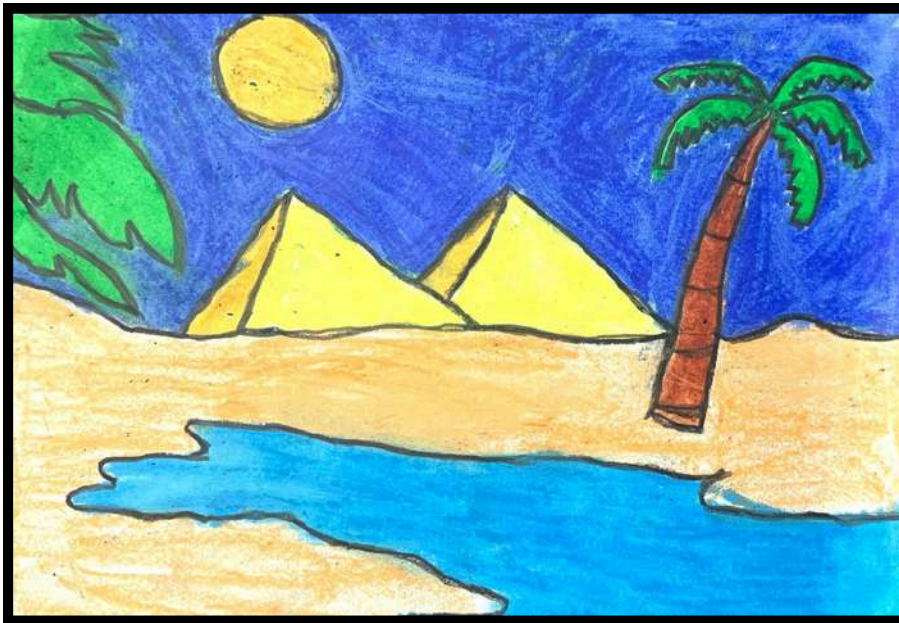

**In all this confusion I daily go through,
I wanna tell her that I love her too!**
