FROM THE EDITOR'S DESK

Dear Readers,

For students, March isn't just another month on the calendar; it's often a culmination of weeks, if not months, of preparation and hard work. The intensity of exam season brings with it a whirlwind of emotions. There's the stress of deadlines looming overhead, the anxiety of facing challenging questions, and the relief that washes over as the last exam paper is handed in. However, amongst these erratic emotions, students also share a sense of unity. Many people look forward to summer camp, which beckons with promises of exploration, friendship, and adventure. As we eagerly anticipate the arrival of summer vacation, let us embrace the opportunity to create lasting memories that will fuel our spirits throughout the year. There's also an air of anticipation for the upcoming bridge course in April and the commencement of classes for the new Grade 10 and 12. Now it is time to say goodbye to March and honour the effort and commitment of parents, teachers, and kids alike.

So here's to March - a month filled with exams, but also a month filled with invaluable lessons, perseverance, and the triumph of the human spirit. As we turn the page to April, let's carry forward the wisdom gained from the challenges overcome, knowing that with determination and hard work, anything is possible.

SCHOOL ACHIEVEMENT

The Twinning Owl Learning Platform organised a Quiz Competition on March 02 on the topic The India Quiz - My India, My Pride. Over 9000 students, from 600 schools in India participated in the learning quiz. A total of 82 students have been declared winners and runners-up at the national level. Among them, Zainul Harmein achieved the position of second runner-up and was honoured with a certificate and a medal. The school has been bestowed with a Certificate of Honor, recognizing it as a Torch Bearer School.

STUDENTS ACHIEVEMENT

Eric Paul, of Grade VII, has been honoured for emerging victorious in the Under 13 division of Porkkalam Juniors, Season 1, 2024, hosted by Football Makka on March 31st.

Advait Nair from Grade 11 won Silver Medal in the Tamil Nadu State Boxing Championship for Youth Men & Women held at Chengalpattu on 29th & 30th March 2024

The Football team from the school participated in Inter School Football competition on March 27 organised by Vellammal New Gen School, Kelambakkam. Over 10 schools participated and Hindustan International School Padur secured Third Position under the Junior category.

EQUESTRIAN CLUB

The pony riding program provided students with the opportunity to learn how to ride and care for ponies, allowing them to develop valuable life skills. It consisted of eight classes in a month, organized into four batches, each consisting of five students. Two levels were available, with 13 students enrolled in Level 2 and 20 in Level 1. The program began in September and ran throughout the Academic Year. A total of 33 students enthusiastically participated, showing dedication and passion. Upon completing each level, students received certificates to mark their achievement.

WORKSHOP FOR GRADE 6 TO 8 STUDENTS

A motivational talk on how to concentrate and not to lose focus was done by S. Vaseem Aejaz on 26 Feb 2024, Product Manager at Macmillan. It was designed to equip students with effective study habits and concentration techniques. The specialist provided valuable insights into time management, goal setting, and minimizing distractions during study hours. Practical exercises and mindfulness techniques were demonstrated to enhance students' ability to concentrate on their studies.

WOMEN'S DAY

The Women's Day festivities commenced with male staff warmly welcoming teachers with flowers, cards, and chocolates upon their arrival at the school campus. A special cake-cutting ceremony took place, accompanied by a video message from Mr. Johnson Mathew, the Dean of Academics at HIS, extending his best wishes. The male staff captivated the audience with recitals of special poems and tales of courageous women warriors from folklore. Various games were also arranged for the teachers, with all staff members enthusiastically joining in the activities.

SUMMER CAMP

The Summer Camp of 2024 presented an exceptional chance for students to embark on a journey of exploration, learning, and the creation of enduring memories. A diverse array of activities awaited them, including skating, football and basketball, archery, art and craft, fireless cooking, music, robotics, and coding. With great enthusiasm, the students engaged themselves in each activity, acquiring new skills along the way.

ARTICLES

MY FIRST VISIT TO ZOO

One fine Saturday morning in the month of December, my parents planned to visit Vandalur Zoo. We had our breakfast and then we started from home. We took the train from Guindy to Vandalur. The climate was very cloudy . When we reached the Zoo, it started drizzling. I was very happy as there were many kids along with their parents who had come to visit the zoo. We were allowed inside the zoo once we bought the entrance ticket. At first, I saw monkeys which were jumping from one tree to another and also a big Chimpanzee. I enjoyed watching it for some time. Then we proceeded to walk along the greenish trees on both sides. On the way, I saw many animals like Lion, Bengal Tiger, White Tiger, Fox, Bear and Horse. Then I saw a very tall Giraffe followed by a Zebra. I was excited to see all the animals in real life. Not only animals, I saw a few birds like Peacocks, Peahen, Swan, Ostrich, Parrots, and Duck. I was very excited watching them. We all took photos and videos of the dancing peacock. As it was noon, I felt hungry and my dad bought me a sandwich and kulfi which were my favourites. After having snacks, I went to the aquarium inside the zoo. I saw a lot of colourful fish which was very pleasant to see I asked my parents to read the names of each fish written there. Then I saw crocodiles, tortoises and snakes. I was very scared to watch the snakes as they were moving slowly. The sight of the snakes sent shivers down my spine. After watching all the animals, birds, reptiles and the aquarium, I wanted to play with the kids in the park located near the exit of the Zoo. I spent some time playing there and then as it became dark, we started from the Zoo to our home. I slept on my way with beautiful memories. It was my first train journey and my first visit to the Zoo. It was a wonderful experience - “My Visit to the Zoo”.

My Favourite Sport

**My favourite sport is Athletics,
The ground and I are magnetic.
I never want to leave the ground,
Even if in sweat I drown.
I love all sports so much so much,
But athletics has a special touch.
It makes me fit and makes me strong,
And so happy that I hum a song.
Even when its hard at times,
There is something that makes it shine.
It is the peace to my pace,
And makes me a very happy face.**

A Memorable Dream

**A memorable dream,
is sweet as cream.
It makes me feel delighted,
everyone is overexcited.
I got it while I was sleeping,
My dream was in the process of safekeeping.
Fame and fortune were real,
It was really a good deal.
Everyone's dream is like a fantasy,
You are a star in the galaxy.
Some can make you cry,
But take it as a piece of pie.
My wish list came true,
But in reality, I was feeling blue.
Every Night I was searching for treasure,
And it was such a great pleasure.**
