

HINDUSTAN INTERNATIONAL SCHOOL - PADUR
(A UNIT OF HINDUSTAN GROUP OF INSTITUTIONS)

FROM THE EDITOR'S DESK

Dear Readers,

As we welcome November, it's a time for our school community to come together and celebrate the joy of learning and creativity. This month, we had some great events lined up that highlight the many talents of our students.

November 14th marked a special day dedicated to our young learners—the much-awaited Children's Day! Our teachers made the day special as they organised a wonderful celebration with music, dance and a fantastic mime act.

Our school's annual Expo – “The Spectacular” was another highlight this month! Students of all grades came together to present their innovative projects, exploring fascinating topics in science, technology, and art. From chemistry experiments to digital coding, the Expo showcased the incredible potential of our future scientists. Our students even showcased their entrepreneurial skills by organising food and accessory stalls.

The first intra-school Theatre fest was held in our campus where students performed extraordinary short plays, mime acts and dramas with a great competitive spirit. HISP emerged victorious, winning the overall trophy.

Our students also attended the Eureka science fair organized by HISK.

As we approach the end of the year, let's remember to stay engaged, support each other, and make the most of the opportunities ahead.

HISTAR

CHILDREN'S DAY

"Children's Day was celebrated with great enthusiasm and joy. The day was packed with exciting activities, including fun-filled games and a delightful popcorn movie time. The children thoroughly enjoyed every moment, creating cherished memories of laughter and togetherness."

OUT-OF-THE-BOX

"Out-of-the-box cognitive skills are crucial for a child's overall development. To nurture and enhance their critical thinking and problem-solving abilities, a range of engaging activities were conducted. These activities were thoughtfully designed to stimulate creativity, encourage logical reasoning, and promote independent thinking among the children."

THANKSGIVING DAY

"Thanksgiving Day inspired children to reflect on the importance of gratitude and appreciation. They expressed their thankfulness for a blessed year by creating heartfelt cards for their loved ones and engaging in a craft activity as a special takeaway. Through these meaningful activities, the children learned the value of being grateful and showing kindness to one another."

PET CARE DAY

A day dedicated to nurturing pets provided an enriching experience for the children. The 'Pet Care' activity offered extended learning opportunities on how to care for and bond with pets. Adding to the excitement, a 'Show and Tell' session was conducted, where children shared fascinating stories and insights about their beloved pets, fostering empathy and responsibility."

HINDUSTAN

In Hindustan, the halls are bright,
Where dreams take wing and futures light.
A place where minds are free to soar,
And knowledge opens every door.

Through every lesson, every page,
We build the path to a new age.
With hearts united, strong and true,
In friendship's bond, we all renew.

The teachers guide with wisdom's grace,
In every smile, a warm embrace.
From every corner of the earth,
We celebrate each learner's worth.

Hindustan, where visions bloom,
In every heart, there's endless room.
A place where every child can see,
A future bright with possibility.
