TORTOISE AND ROLLER-SKATES

Once upon a time, there was a tortoise. He was very excited to play. He went to the playground to play with his friends. But none of his friends noticed his presence. They were busy playing with their new friend Rabbit.

The tortoise shouted, "Friends can you join me also in the game". All the friends replied, "No tortoise, playing with you is boring, since you are very slow".

Hearing this, the tortoise was very sad. He was crying and came home. He felt alone.

In the night he prayed to God to help me to become faster. So that I can play with my friends. He prayed and he slept. In the morning when he wakes up he can see a gift in front of his house.

When he opened it he saw two shoes with wheels. It was a roller skate. He wondered what it could be. He put that on his legs and started walking. To his surprise, he was walking very fast.

He was happy and went to meet his friends. They were busy again playing with friends. They were busy again playing with their new friend Rabbit.

Tortoise shouted, friends can you play with me, I can walk faster now. All his friends and rabbits saw the tortoise, and they wondered what he was wearing in his legs. The tortoise started to walk with the roller skate shoes. And he was even faster than the rabbit.

All the animals were very excited and said, "You can play with us".

Rabbit said, Tortoise can you be my friend? The tortoise was happy and he played with all his friends and the new friend rabbit. They all played all day. In the night the tortoise thanked God, for the surprise gift. And he lived happily ever after.

Moral: If we are sad, when we pray God will help us in some way.

घड़ी लगी दीवार पर

घड़ी लगी दीवार पर ,
टिक-टिक कर तू चलती है |
हर घंटे के बाद तू ,
डिंग-डिंग करके बजती है |
तुझे देखकर पता है चलता ,
कब खाना , कब पढ़ना है |
तुझे देखकर पता है चलता ,
कब उठना , कब सोना है |
