FROM THE EDITOR'S DESK

“The first step towards getting somewhere is to decide you're not going to stay where you are.” With this beautiful quote by J.P. Morgan in mind, we dive into our new month, October. The half- yearly marked the end of our first term, followed by a long break for the festive season. Our students came back to school with so much joy, and enthusiasm to learn more and add on to their knowledge. We look forward to so many upcoming events and your active participation in the coming days. We are committed to keeping you informed and entertained throughout the month. This edition is filled with exciting updates, student accomplishments, seasonal highlights, and informative articles. We hope this newsletter provides you with a deeper insight into our school's vibrant community and the exciting opportunities that lie ahead. Wishing all our students a month of growth, learning, and success.

EVENTS

GANDHI JAYANTHI - 02 OCT 2023

The Swachh Bharat Abhiyan activities undertaken in our School have significantly contributed to fostering a culture of cleanliness, hygiene, and responsibility among students.

Students took pledges to maintain cleanliness within the school premises and in their surrounding communities.

Cleaning sessions were organized where students, teachers, and support staff joined to clean the school premises.

IN HOUSE WORKSHOP - 06 OCT 2023

Ms. Susan George, the Principal , delivered an informative session for the teachers on the subject 'Planning and Preparing Worksheets'. She encouraged the practice of reading and writing among teachers and stressed the importance of using the library. Every teacher must use the library weekly for an hour. She instilled the importance of building a strong connection with students and urged teachers to create an environment where students feel comfortable questioning and expressing their thoughts.

Teachers should be approachable, responsive, and supportive of their students' academic growth, while also nurturing their curiosity and enthusiasm for learning.

TERM 1 REVIEW MEETING - 10 OCT 2023

The Dean of Academics, Mr. Johnson Mathew addressed the teachers from Grade 6 to 12 in a meeting to outline the best practices for teachers in the evaluation, checking, and result analysis process after an examination. These procedures are essential to ensure fairness, accuracy, and the improvement of the teaching and learning process.

Effective evaluation, checking, and result analysis are crucial for maintaining the integrity of the examination process and improving the quality of education. Implementing these best practices can lead to fair, accurate, and constructive feedback for both students and teachers, ultimately benefiting the educational institution as a whole.

BHARATANATYAM ARANGETRAM

October 1st, 2023 marks a pivotal day in my life - the occasion of my Bharatanatyam Arangetram. The day before was a whirlwind of final rehearsals, welcoming guests, adorning my mehendi, staying hydrated, nourishing my body with healthy food, and settling into a hotel close to the auditorium.

As I stepped onto the stage on the big day, my mind was remarkably clear. It was when I commenced my dance that I realized how the accumulation of over eight years of dedicated practice and prior stage experiences came to fruition. The performance went remarkably well, although it was far from easy. Each dance left me breathless, with stomach cramps plaguing me after the varnam. Yet, driven by my passion for dance and an unwavering determination to prove myself and offer the audience a memorable Sunday morning, I pushed myself to the limits. I believe it unfolded in the way I had hoped - the postures, expressions, and the overall perfection.

If you had informed the eight-year-old Naya that she would grace such a grand stage, she wouldn't have envisioned such a spectacular performance. The event itself was a collective effort, supported by my Guru, talented musicians, dedicated staff, family, and friends. My gratitude knows no bounds towards my parents for their unwavering trust in me. Lastly, this achievement wouldn't have materialized without the blessings of elders and the grace of the divine.

MY EXPERIENCES AT SCHOOL CAMP

Our school recently organized a camp that was truly unforgettable. Camps are known for providing a safe and exciting environment for people to try new things and build social skills. It was amazing to see everyone come together and form new friendships while participating in various school-organized events. One of the most memorable moments was the impromptu stand-up comedy show that had us all laughing. Staying overnight in the school building was also a unique experience that many of us enjoyed. Throughout the camp, we learned valuable skills such as basic first aid and stress management tips. The food exceeded our expectations, and we had an absolute blast doing activities like yoga, football, and dancing around the campfire. The highlight, however, was the surprise cake-cutting ceremony that served as the perfect ending to our time together. Our teachers were incredibly supportive and encouraged us to showcase our talents. Overall, it was a fantastic experience that we are grateful for, and we extend our thanks to all those who made it possible - especially our Chairman and Principal.

HAPPINESS

**Happiness is a sunbeam
Shining bright an warm
It fills up with laughter
And takes away the storm**

**Its the joy of little moments
The thrill of simple things
A warm embrace, A kind word
The happiness it brings**

**So let's hold on to this feeling,
And keep it close at heart
For happiness is a treasure
That will never depart**

FOOTBALL

**I am round, with a joyful sound,
Children cheer, racing around.
A team game, known by all,
Round and leather, answering the call.**

**In the stadium's gleam, I take a flight,
Under floodlights, shining so bright.
Goal to goal, I swiftly race,
Eager players, in heated chase.**

**Can you guess my name, so well known?
I am football, the game that's grown.**
