

HGI starts school in Padappai

The Hindustan Group of Institutions (HGI) has established Hindustan International School (HIS) in Padappai to provide a contemporary learning environment that integrates academic excellence, technology, creativity, sports, and va-

lues-based education.

Theodosius Mar Thoma, Metropolitan, Malankara Mar Thoma Syrian Church, inaugurated the campus.

In his speech, he underscored the importance of education rooted in values, character, and compassion in

shaping responsible global citizens.

Anand Jacob Verghese, chairman of Hindustan Group of Institutions, said, "We believe education must go beyond academic achievement to nurture character, creativity, critical thinking and a sense of purpose. Through this campus, we aim to create an environment where every learner is encouraged to explore their potential, embrace innovation and grow into a responsible global citizen while remaining rooted in strong values."

The campus features smart classrooms, robotics and computer laboratories, composite science laboratories, innovation and maker spaces, and dedicated sports infrastructure.

Two books were released: one curated by Anand Jacob, 'Journey of Parables', a collection of reflections centred on leadership and values, and a coffee table book, 'Historia', documenting the decade-long journey of Hindustan International School, a release from HGI stated.
